About The Character Company

We believe that your mascot is your branding billboard and we are committed to making our relationship personal and providing you with the best customer service in the industry.

The Character Company's full scale production shop combines experience and technology to bring icons, ideas, and drawings to life. Whether you desire a figurine, a cartoon, a realistic animal, or something completely new, we marry the highest quality materials with unique building techniques to produce life size, 3D mascot characters and we back all of our products with a 100% satisfaction guarantee. Our clients are involved throughout the creation process, and beyond, so that your character truly represents you and your brand. In addition we have professional trained entertainers that are committed to being the ambassadors of your brand.
